

## Parade Chants – Summer 2006

### A Topologist's Life (sung to the tune of A Pirate's Life)

Yo Ho Yo Ho a Topologist's life for me

We stretch and we shrink  
And we loop and we twist  
Ride a mobius strip yo ho

We tie up in knots  
And we eat donuts lots  
And we call it a torus yo ho

Yo Ho Yo Ho a topologist's life for me

### What do we do at PCMI? (sung to the tune of Drunken Sailor)

**Sailors at PCMI (sung to the tune of Popeye the Sailor Man)**

We're sailors at PCMI.  
We're sailors at PCMI.  
They say we're fanatics.  
We love mathematics.  
We're sailors at PCMI.
