Parent Questionnaire

Please answer the following questions

1) How has your impression of Interactive Mathematics (IMP) changed since the beginning of the school year?

2) Has your student's attitude about math changed? If so, how?

3) Do you think your student has a better understanding of mathematics?

4) How could Portfolio Night be improved? Do you feel it is a valuable part of this class?

5) Would you be willing to be interviewed for a University of Washington and School District sponsored video?
